

EARPLUGS

Blue Corded Re-usable Earplugs | SP-HP-004

Description

The SPROM Blue Corded Re-Usable Earplugs are soft, washable earplugs with a fluorescent cord for easy handling and visibility. Made from pliable Thermoplastic Rubber (TPR), they expand comfortably into the ear canal and provide reliable hearing protection with an SNR of around 29 dB, helping reduce harmful noise in loud work environments.

Key Information

Colors: 
Size range: Standard
Fabric: Soft TPR (Thermoplastic Rubber)

Key Features

- ▶ **Noise Reduction (SNR):** Approximately 29 dB total attenuation (H \approx 29 dB, M \approx 26 dB, L \approx 26 dB).
- ▶ **Design:** Triple flange shape with soft corded attachment for secure fit, ease of handling, and improved loss prevention in industrial environments.
- ▶ **Reusable & Washable:** Made from soft TPR material, waterproof, washable, non-toxic, and suitable for repeated long-term use.
- ▶ **Corded:** Integrated safety cord helps prevent loss and allows convenient storage and handling during use.

Warnings

- ▶ Improper fitting will reduce effectiveness and could result in hearing loss.
- ▶ Keep away from infants and children. The earplugs are non-toxic, but may interfere with breathing if stuck in a windpipe.
