

REFLECTIVE WORK JACKET

Duratex Reflective Work Jacket | SP-WW-WJ-002

Description

The SPROM Duratex Work Jacket is designed for performance and reliability in tough working conditions. Constructed with DURATEX® 65/35 polycotton twill, it combines durability, colourfastness, and breathable comfort. Featuring multiple utility pockets, concealed zips, and reinforced stitching, this jacket delivers both practicality and strength. It features 50 mm reflective tape for enhanced visibility in low-light conditions.
