

GUMBOOTS

General Purpose Gumboots | SP-GB-003

Description

The SPROM General Purpose Gumboots are designed for multi-industry use, offering flexibility, comfort, and durability. Made with recycled PVC uppers and a virgin PVC sole, they provide excellent grip, water resistance, and protection for everyday tasks. With UV-stabilised material, a quick-dry polyester lining, and a moulded wool insole, they deliver all-day comfort in wet and challenging environments.

Key Information

Colors: ● ●
