

RAIN TROUSERS

High Viz Reflective Rain Trousers | SP-WW-WW-002

Description

The SPROM High Viz Reflective Rain Trousers are designed to keep you dry and highly visible in wet, low-light conditions. Made from water-resistant fabric with heat-sealed seams, they provide reliable protection against rain, while wide reflective tape ensures maximum visibility. Built for demanding outdoor work, these trousers combine comfort, durability, and safety in all weather conditions.
