

GUMBOOTS

Makasi Steel Toe Cap Gumboots | SP-GB-001

Description

The SPROM Makasi Steel Toe Cap Gumboots – SG01 are engineered for maximum safety and durability in tough working conditions. Built with a hard-wearing PVC shell and a reinforced steel toe cap (200J), they protect against impact, penetration, and harsh industrial environments. With reinforced shin support, padded ankle design, and a quick-dry antibacterial insole, the Makasi gumboots provide superior protection and comfort for long working hours.

Key Information

Colors: ●
Fabric: PVC
