

ACID/FLAME WORK TROUSER

Reflective Acid/Flame Work Trousers | SP-WW-AF-002

Description

The SPROM Flame & Acid Work Trousers is designed for workers exposed to chemical and thermal hazards. Made from durable 270gsm 100% cotton, the fabric is specially treated to resist acid splashes, oil, and water, and self-extinguishes once the ignition source is removed to reduce burn risks. The trousers feature reinforced panels and practical pockets, providing both protection and functionality in demanding environments.
