

TWO-TONE WORK JACKET

Reflective Two-Tone Work Jacket | SP-WW-WJ-003

Description

The SPROM Reflective Two-Tone Work Jacket is designed to provide comfort, durability, and enhanced visibility in demanding work environments. Made from a durable DURATEX® 65/35 polycotton twill fabric with high-visibility reflective strips, it ensures you stay visible in low-light conditions. The jacket features reinforced panels, multiple utility pockets, and practical protection, offering both flexibility and reliability. Ideal for outdoor work and active use, it combines safety, comfort, and long-lasting performance in a single jacket.
