

# TWO-TONE WORK TROUSER

Reflective Two-Tone Work Trousers | SP-WW-WT-003

## Description

The SPROM Reflective Two-Tone Work Trousers are designed to provide comfort, durability, and enhanced visibility in demanding work environments. Made from a durable DURATEX® 65/35 polycotton twill fabric with high-visibility reflective strips, they ensure you stay visible in low-light conditions. The trousers feature reinforced panels, multiple utility pockets, and practical protective elements, offering both flexibility and reliability. Ideal for outdoor work, maintenance, and active work settings, the SPROM Two-Tone Reflective Work Trousers combine safety, comfort, and long-lasting performance.
