

HEAD & FACE PROTECTION

SPROM Aramid Balaclava | SP-HF-001

Description

The SPROM Aramid Balaclava is a lightweight, breathable flame resistant hood designed to provide dependable head, face, and neck protection in high risk environments. Made from 100% meta aramid knitted fabric with flame retardant thread throughout, it offers protection against heat and flame while remaining comfortable for extended wear. Ideal for use under helmets and with other PPE.

Key Information

Colors:   

Size range: Standard

Fabric: 100% meta aramid inherent knit fabric (approx. 190gsm)

Key Features

- ▶ **Construction:** Flame retardant thread woven throughout
- ▶ **Design:** Lightweight and breathable for comfort
