

MULTI-POCKET JACKET

Utility Multi-Pocket Jacket | SP-WW-WJ-004

Description

The SPROM Utility Tech Jacket is built for modern performance and comfort, featuring a contoured fit with durable poly-cotton canvas and spandex for added flexibility. Reinforced elbows with 300D Oxford polyester and bar-tacked stress points ensure long-lasting durability. It includes zipped side pockets, dual pen pockets, and an internal phone pocket with hook-and-loop closure for secure storage. Adjustable cuffs, a press-stud waistband, and back pleats enhance fit and mobility, while reflective piping improves visibility in low-light work environments.

Key Information

Colors:
