

# MULTI-POCKET TROUSERS

Utility Multi-Pocket Trousers | SP-WW-WT-004

## Description

The SPROM Utility Multi-Pocket Trousers are made from high-quality poly-cotton canvas and designed with a modern, contoured fit for comfort and mobility. Featuring triple-stitched seams for enhanced strength and durability, these trousers are built for demanding work environments. Seven multifunctional utility pockets and integrated tool loops provide versatile storage and easy access to essential tools. Reinforced with 300D Oxford polyester fabric on high-wear areas such as the knees and ankles, they offer added protection and long-lasting performance.
